Highlights

Skin Zone Timer
The face can be divided into three zones:T-zone, left cheek and right cheek. Philips VisaPure Essential suggests to change face skin area after 20 seconds with a short pause. The full program lasts 1 minute after which Philips VisaPure Essential automatically switches off after to prevent overtreatment.

Waterproof

Philips VisaPure Essential is waterproof and can be easily used in the shower.

Charging Stand

The stand elegantly complements the iconic design of Philips VisaPure Essential. It holds the brush, taking less space and letting air naturally dry the used brush. When connected it fully charges Philips VisaPure Essential in 6 hours.

Rechargeable
When fully charged, Philips VisaPure Essential has cordless power for 30 uses, equivalent to 15 days when used twice per day.

Dual Motion

The brush rotates and vibrates. The vertical pulsating movement gently breaks up surface impurities including dirt, dead skin cells and make-up residues. The rotating movement sweeps the impurities away, leaving the skin more deeply cleansed.The coordinated movements of the bristles give you a thorough and comfortable cleansing experience.
